

Front-end Web Developer/Designer

Your job

You will be the main front-end developer and work closely with the back-end developer and the rest of the team to deliver the best possible experience to travellers. This is an opportunity to be part of the early days of a do-good start-up with a huge market ahead.

Who we are looking for

Someone who wants to work in a start-up in Barcelona and be actively involved in transforming the traveller experience for the better.

Someone who can ship Javascript code and who leaves the code base cleaner than she found it.
Someone who can think small one day and big the next.

You should be curious, autonomous and rigorous. Working in a start-up environment can be immensely satisfying but there are times when you will find yourself lost. Be ready for that. Explorers always find a new route when lost, this is what we are looking for: creative, positive, user-focused developers.

An ideal candidate would:

- Be proficient with Javascript.
- Be a ReactJS wizard.
- Master CSS/SCSS.
- Have a sense of beautiful, colors and space.
- Design mobile-first.
- Crave for TDD/BDD.
- Love Git.
- Apply the SOLID principles.
- Be familiar with Agile working.
- Speak and write English fluently.

Experience with Spanish or French language, Ruby on Rails, Analytics, Inline Styling, Functional Reactive Programming is a huge plus.

What we are building

AirRefund helps travellers who experienced flight delays, cancellation or overbooking to obtain compensation from the airline. Who wants to sue an airline anyway? AirRefund does, when needed.

We need to scale.

We deal with millions of flights and hundreds of thousands of travellers. We need to provide smooth and seamless experience to travellers with timely and accurate communication.

We need to minimize friction for traveller and partners, provide beautifully crafted reports and an awesome overall experience.

Why work with AirRefund?

- Small team, you own the tech.
- Barcelona is Awesome!
- English/Spanish/French classes.
- Amazing office in the center of Barcelona (plaza Catalunya).
- BBQ parties on our terrace.
- Ping pong table (of course).
- Wear your slippers at the office.
- Home office 1-2 days a week.
- Fresh fruits, free tea and coffee.
- Free beer and chips
